KITCHEN

AT DREWTON'S

Why Kitchen?

You may wonder why we named our restaurant 'Kitchen'?

Well, we wanted to honour a certain group of people who settled here many moons ago - the Romans! Kitchen at Drewton's sits on this illustrious empire's food preparation site, adjacent to the A1034, which is still listed as an old Roman road, and catered for the Roman settlement situated within The Drewton Estate - known then as 'Druids Town'.
