# Bird Watching and Nature Photography

With Yorkshire Coast Nature's award-winning celebrity wildlife photographer **Steve Race**

**Sunday 12th May, 9am - SPRING**

**We're offering customers the chance to photograph nature on The Drewton Estate through the seasons, with visits to other fabulous locations too!**

Meet at Drewton's for tea/coffee and BLT sandwiches. The morning will be spent at YWT North Cave Wetlands Nature Reserve, using the hides to photograph the spring migrant birdlife. This will be followed by a delicious traditional Afternoon Tea at 12.30pm, back at the Farm Shop. In the afternoon session, the group will visit Little Wold Vineyard in South Cave. This is a great new opportunity to receive an introductory talk from the owners, about the vineyard and history, and to see the varieties of young vines coming into blossom. The group will have their cameras poised and ready to admire the

views with any passing buzzards and red kites, and there will be the chance to photograph new insects and wildlife that inhabit the vineyard. You will return to the Farm Shop at 4pm.
