

DREWTON'S
ON THE DREWTON ESTATE

£90

Bird Watching and Nature Photography

With Yorkshire Coast Nature's award-winning celebrity wildlife photographer **Steve Race**

Sunday 11th August, 9am - SUMMER

We're offering customers the chance to photograph nature on The Drewton Estate through the seasons, with visits to other fabulous locations too!

Summer berries, yoghurt and homemade granola with coffee/tea on arrival. The group will spend the morning studying the Red Kites. Nigel Puckrin from the Yorkshire Red Kites Project will be on hand to tell their story, with details of how The Drewton Estate had one of the first recorded nests in East Yorkshire for around 150 years; and how the red kites chose to breed on the Estate! The group will take the short trip to see the Drewton kites and look at the photographic opportunities on offer. In the afternoon, the group will head back to Little Wold Vineyard with a Drewton's Deli Picnic*, where the grapes will have grown and the vines are tall. There will be an abundance of insects, including ladybirds, butterflies and spiders, along with wild flowers to photograph. A great opportunity to hear what's happened since the May visit and to learn the art of pruning the different grape varieties. You will also enjoy a 'tasting' of the award-winning wines being produced, before returning to the Farm Shop at 4pm! (*please bring along a picnic rug or folding chair?)

TO BOOK YOUR PLACE
ask in store or telephone 01430 425079

Full payment will be required when booking, which is non-refundable if cancelled within two weeks prior to the event.

FOOD ALLERGIES AND INTOLERANCES
