A YORKSHIRE PUBLICATION

THANK YOU! FROM THE BOSS

I would like to say a massive thank you to our entire team, and the many customers and suppliers who have been so kind and generous in their prayers and support over recent months.

My eldest, Freddie (now 25) is our Marketing Manager, and a qualified Chef. He became extremely ill in August last year and was admitted to Castle Hill Hospital with stage 4 cancer, a rare fast-spreading blood cancer known as Burkitts, which is both leukaemia and lymphoma.

The consultants and specialists acted quickly and we lived in hospital for three months whilst Freddie underwent aggressive chemo. He came out of hospital at the end of November, the day before my father died, and he has built his strength and fought this with sheer determination, strength of mind and insisted on good nutrition, exercise and fresh air. He is now in remission and I could not be more proud of my boy! He is a walking wonder!

We are indebted to the care he/we have received by the team in Ward 33 in The Queen's Centre and we are so grateful to those who work and dedicate themselves to the NHS.

Losing my father at the young age of 74, to the rare muscle and nerve wasting condition 'sensory motor axonal neuropathy', has also been extremely hard, and the level of support we have received as a family recently has been overwhelming and means so much.

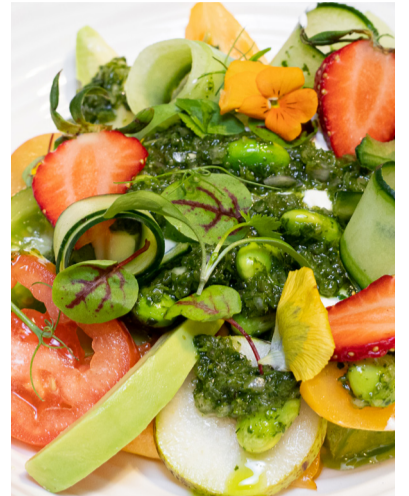

Thank you from the bottom of our hearts.

CREATIVE DINING

Executive Chef, Ben, and his team are proud to launch new menus taking us throughout the summer. Classic favourites are always at home on our menus but we're delighted to introduce new tasty 'instagram-worthy' dishes, featuring sustainable locally-grown seasonal produce. Some customers have shared their enjoyment in working their way through our menus ... what a fabulous idea!

And it's not all about our menus! You may have noticed our new Mediterranean-style courtyard café dining under the pergola! We're loving this new vibe and hope you do too!

SUPPORTING LOCAL

Farm shops are proud to work with the very best local farmers, growers, producers and suppliers. We are super proud to have been doing what we know best for 12.5 years, having established great relationships and friendships with these small independent businesses, along the way.

Please continue to support local and keep our local economy safe during difficult times.

BUTCHERS BARGAINS

Our popular Facebook meat deals continue to prove popular. If you're not in the know then please follow us, and don't miss out on special offers which often include 'meat for the week freezer deals', chicken offers and quality prime cuts such as fillet steaks!

We're working towards new displays and counters for our butchery this year, so please follow our journey and enjoy a great selection of cuts and oven-ready meats, safe in the knowledge that we source with highest welfare standards.

DELI DELIGHTS

Freshly baked artisan breads, delicious naughty treats and many of our homemade pies and pastries are created and lovingly made by our team of chefs and bakers. Watch out for speciality seasonal lines and grab them while you can!!

TIPSY KINGS AND QUEENS!

The entire Drewtons and Manor Rooms teams came together to celebrate King Charles III with his Coronation. There were a few sore heads the following day, but we enjoyed delicious food, danced the night away and, whether good or bad, there is incriminating photographic evidence for future bribes!!

STARS IN THE MAKING

We're cook-a-hoop with our new promotional video, featuring real-life weddings and showcasing The Manor Rooms in all its glory! Follow the link below or find it on our website ... sit back, and enjoy!

NATIONAL WINNERS!

Our East Yorkshire wedding venue has bagged not one but two top national, industry awards!

The Manor Rooms had already been named 'Wedding Venue of the Year' and the most 'Romantic Wedding Venue' within the Yorkshire region, securing its place on the shortlist for the national finals of the sixth annual English Wedding Awards, 2023.

The overall winners were announced at a black tie awards ceremony in London, in February, when it was revealed that we had beaten off fierce competition from wedding venues across the country to be named the 'Wedding Venue of the Year' and the most 'Romantic Wedding Venue' for the whole of England.

The English Wedding Awards celebrate the best wedding industry professionals and businesses across England, so you'll understand why we are literally beaming from ear to ear!

CELEBRATE IN STYLE

We can cater for just about any occasion, so please chat with the team who will be delighted to help! Be it a special birthday, an afternoon tea baby shower, a celebration of life gathering, a corporate event, an anniversary party, or a dinner with friends, we look forward to creating a memorable occasion for you!

As well as the wedding packages on offer, you will also find some other special private event packages on our website.
